

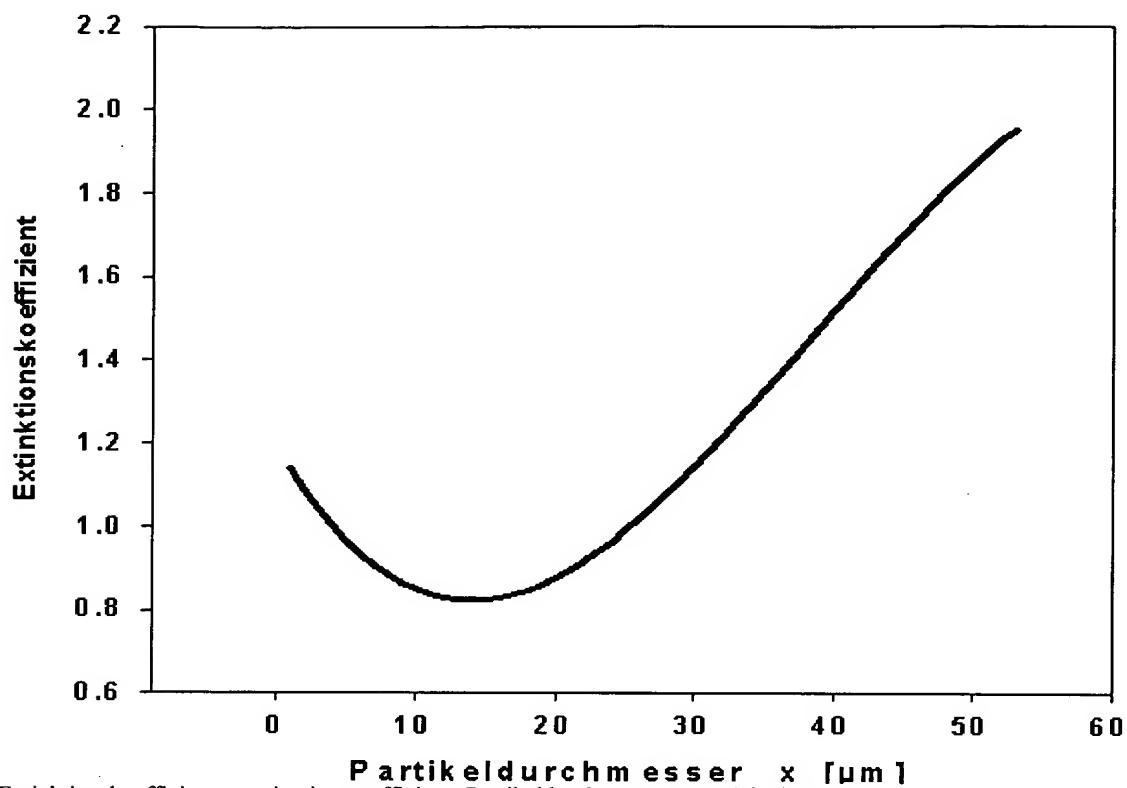

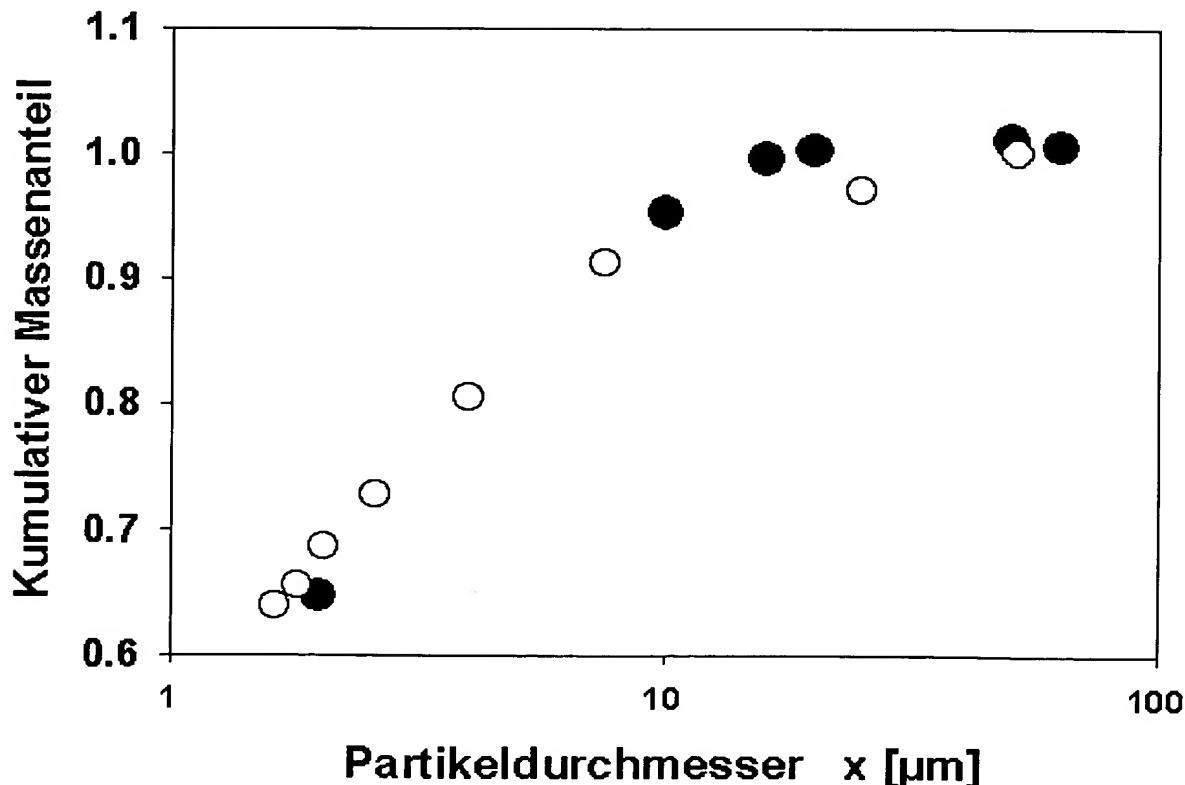

Figure 1

1/3

Extinktionskoeffizient = extinction coefficient; Partikeldurchmesser = particle diameter

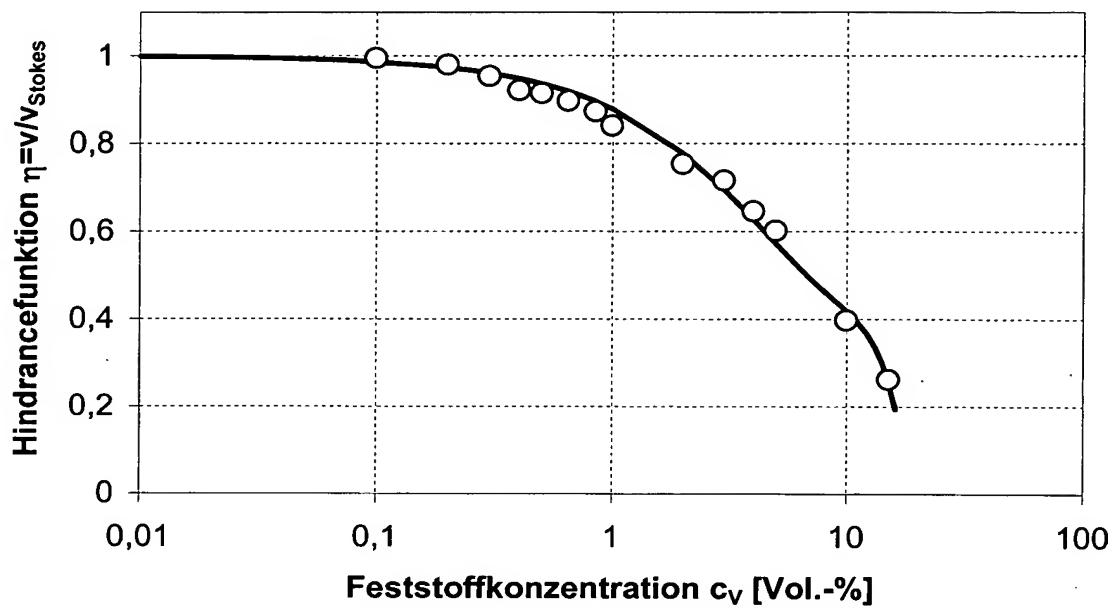

Figure 2

Kumulativer Massenanteil = cumulative mass fraction; Partikeldurchmesser = particle diameter

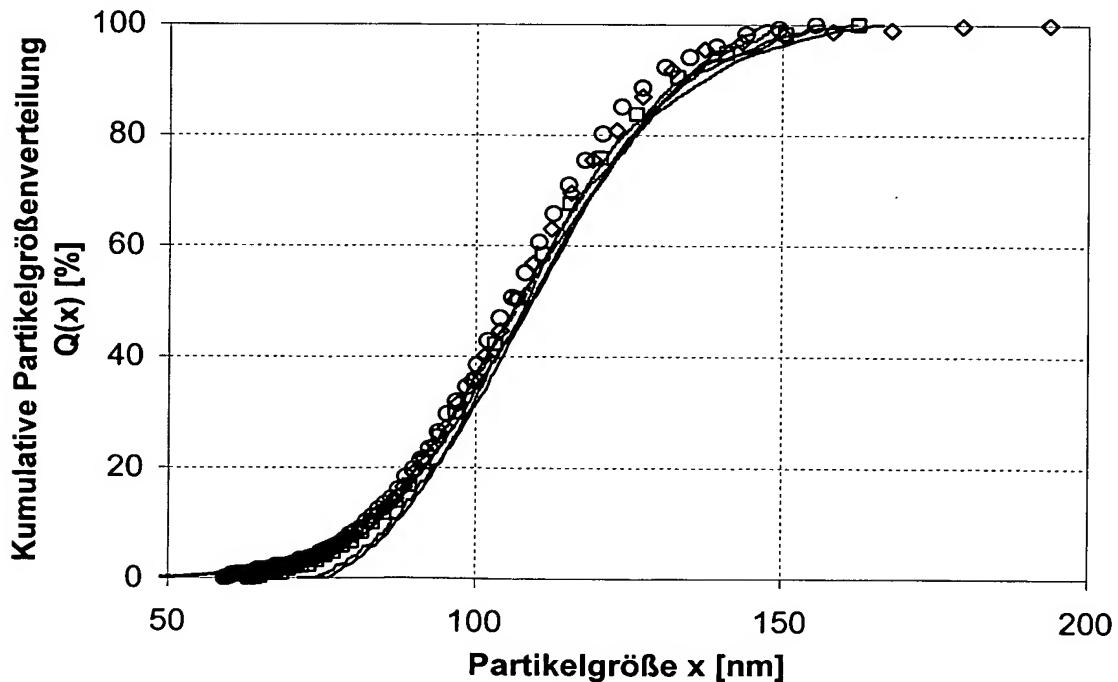

Figure 3

2/3

Kumulative Massenanteil = cumulative mass fraction  
Feststoffkonzentration = solid substance concentration  
Vol.-% = percentage by volume

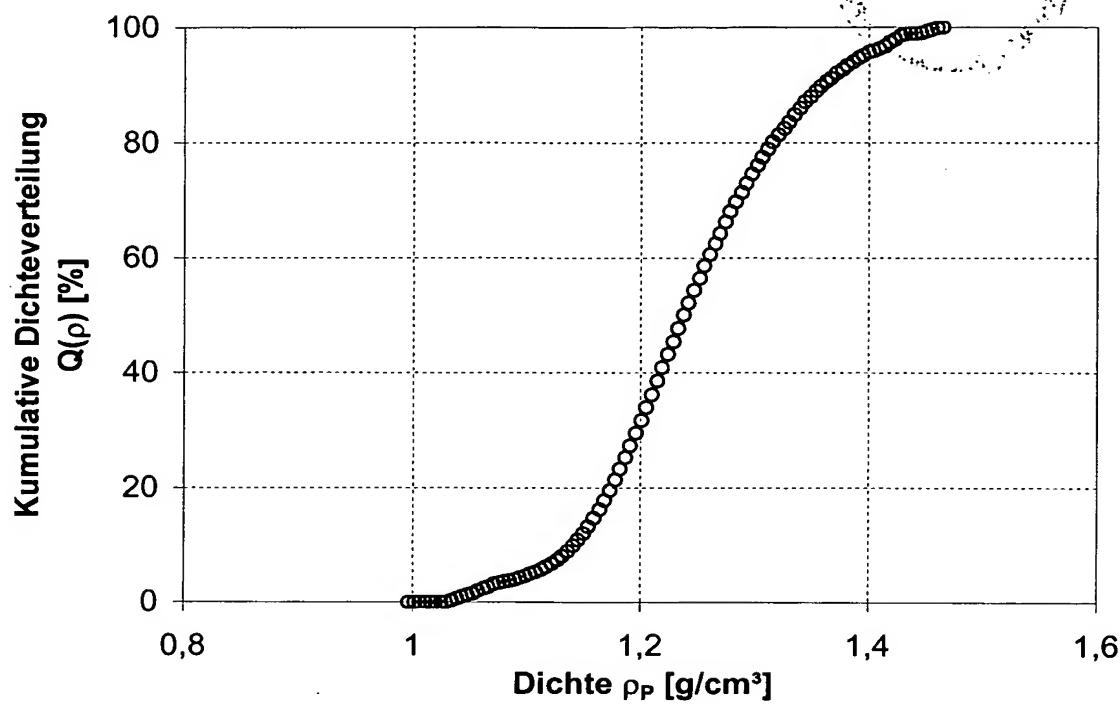

Figure 4

Kumulative Partikelgrößenverteilung = cumulative distribution of particle sizes; Partikelgröße = particle size

Figure 5

3/3

Kumulative DichteVerteilung = cumulative density distribution; Dichte = density
